All Units Remanufactured in the USA!

Replace in sets and receive a discount!

### NOT ALL INJECTORS ARE THE SAME!

Therefore the remanufacturing process is not the same for all injectors!

Every remanufactured injector is tested before packaging.

Here are some of the remanufacturing processes used on our injectors:

- ◆ ALL injectors are electronically tested
- ◆ Internal Ultrasonic Cleaning
- ◆ External Cleaning
- ◆ Back Flush
- ◆ Reverse Flow Pressure Cleaning
- ◆ Leak Test
- ◆ Spray Pattern Test
- ◆ Static Flow Test

**ALL INJECTORS CARRY A 12 MONTH / 12,000 MILE WARRANTY!**
